WHAT NOT TO BRING

Things that are easily broken, expensive or hard to replace or any items for "practical jokes." Drugs, alcohol, cigarettes, smoking/vaping paraphernalia, weapons or fireworks. These items undermine the purpose of camp and will not be allowed. Your cooperation in working with your student to ensure this is adhered to is appreciated.

MEDICATIONS

Please check-in prescriptions, special meds, and over the counter meds at the table marked "Medical Staff" when you arrive at Highlands for check-in. All medications must be in their original containers. For safety, students will not carry their own medications so please be sure not to pack them!

CELL PHONES

We discourage sending a cell phone to camp with your student. An important purpose of our time away is for people to connect face-to-face and be removed from distractions of social media. Students may always be contacted at camp through the staff contact numbers provided. We are not responsible for misplaced, lost or stolen items.

We are looking forward to a great week. Thank you for allowing your student to join us! If you have any questions, please contact our office and we would be happy to assist you.
